Step by Step Children's Nursery

Newsletter

AUTUMN 2026

Welcome !

Welcome back to everyone, from a very hot summer!
A big welcome to our new families, we are currently getting to know your children, what they can do already and what their next steps are.
We will be introducing ourselves as keyworkers very soon

Reminders

Everyone needs to do a new funding and agreement form, please make time to sign them at drop off or pick up

Please label your child's clothing and belongings. We would like to encourage clothing that promotes independence.

All in ones and welly boots for wet weather are provided for, but you are very welcome to bring your own, as this makes it easier regarding allocating the right sizes to each child.

Please provide a bottle with water in, that the child can use through the day and manage themselves.
Please avoid putting juice in because:
1-It is better for their teeth.
2-The other children drink the bottles with juice in, as they are on the table.
3-We will dilute them.
If you feel your child will only drink juice, speak to your child's keyworker and we will work with you and offer it to them at certain times of the day.

Dates for your calenders
